Dear friends,

A LOST CHILD

Imagine for a moment every parents worst nightmare—your child is lost. Unless that has happened to us we can't fully know the gut wrenching fear of that moment. Feel the desperation. A plea goes out to the community for help. What would you be praying as neighbors come together to make a plan to search the area? Mine would probably be, "Lord please protect my child and bring him home safely." I would probably cry out, "Lord, don't let him be hurt or afraid!" I might even get desperate and try to bargain with God, "If you bring him back safely, ask anything and I will do it!"

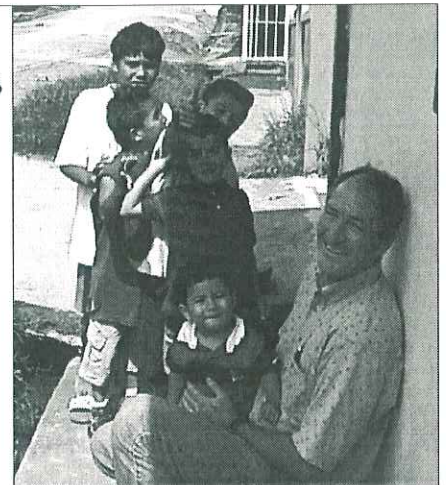

Then the Lord says, "Would you be willing to be mocked, spit upon, whipped, beaten, humiliated, nailed to a cross and die a horrible death?"

After a long silence I would probably respond, "Well, let's see if they find him at the corner store first!"

There are hundreds of thousands of lost and hurting children in this world. We, as the Body of Christ, are called to reach out and love these lost kids back to the Father. What are we willing to do as a community? What are you willing to do as an individual? If as a community we would rally together to find ONE lost child, what should we be doing to help the multitudes be found. We all have different resources and gifts. Please pray how the Lord might use you in the Great Commission (Matthew 28:18-20).

"The harvest is so great, but the workers are so few. So pray to the Lord who is in charge of

the harvest, ask Him to send out more workers for His fields." — Matthew 9:36-38

HOPE

Helping Others Pursue Eternity (HOPE)

An astonishing statistic was shared with us that 96% of Christian youth workers are in the United States. But only 3% of the world's youth population is in the U.S.! Please pray for us as we try to reach the lost youth for Christ in Honduras.

✦ **Jeremiah 29:11 "For I know the plans I have for you, declares the Lord, Plans to prosper you not to harm you, plans to give you a hope and a future."**

+ Matthew 9:36-38 "The harvest is so great, but the workers are so few. So pray to the Lord who is in charge of the harvest, ask Him to send out more workers for His fields."

Brian and I have been given a great burden to bring hope to the hurting children of Honduras. Once we realized that God could use just ordinary people like us, our lives changed forever. Once we experienced loving an abused, neglected, hungry child back from hopelessness, we were hooked.

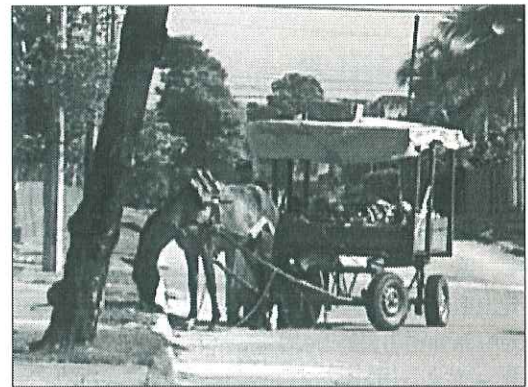

+ Isaiah 6:8 Whom shall I send? Send me.
